4 hours minimum (48,00/hour) plus delivery fees

Transport fees (pick-up, delivery ) Montreal and Québec Metropolitan areas

Transport fees (pick-up, delivery) Laval & South Shore

Transport fees (urgent delivery, Montreal)

Transport fees (urgent delivery, Laval & South Shore)

Beyond Metropolitan areas

0,65\$/km **AND** 35,00\$/hour for the driver

## TECHNICAL SERVICE

Installation / Operation / Dismantling

Videoconference

Technical director

Teleprompter operator

Overtime

**Sono Vidéo inc. Is covered by a liability insurance when our technicians are hired.**

## LEASE / PURCHASE OPTION

Our consultants will be glad to help you about our Leasing / Purchasing plans.

**Following the end of a rental contract, you have 30 days to take advantage of rental credits accumulated in the previous 90 days on that equipment at a regular rate. These credits can be applied retroactively on the rental fees of the equipment up to a maximum of 10% of the purchase of the equipment :**

70 % if you purchase the leased equipment;

50 % if you purchase a similar or a higher quality model. No credit will be awarded on sub-leases or special rate rentals.

**Sono Vidéo inc. cannot guarantee the availability of second-hand equipment.**

## RENTALS - REPAIRS

When a customer uses Sono Video's technical services to repair a piece of equipment, the customer is entitled to a 50% rebate on the rental fees in effect on similar equipment for the duration of the repair. Sono Video however, can not guarantee the availability of such equipment unless prior arrangements have been made.

**The current list replaces all «Rentals rates» previously published.**

**Prices may change without prior notice.**

**Equipment is subject to availability.**

**Models may be different from list.**

**SALES - INTEGRATION - SERVICE - RENTALS**  
 Consultant Expert in Audiovisual, Broadcast, Videoconference, Automation and Medical Solutions.

# SONO VIDÉO

Sono Video offers a rental service that answers your needs; the rental of necessary equipment for all your short and long-term projects and events, whether your needs are sporadic, to replace defective equipment or in repair or simply to try out the latest technology on the market.

With a certified team of technicians and experienced consultants, we offer a professional advice on the latest technologies in broadcast, production, audiovisual and videoconferencing. As well, our staff can help you have a stress free event.

## 8 reasons

to pick a professional video supplier

1. **His professionalism;**  
Video is his job!
2. **His integrity;**  
His success depends on the relationship he builds with his customers.
3. **His knowledge on the field;**  
He knows his market, equipment, components and new technologies.
4. **His product experience;**  
He knows the performance of the products he sells and can recommend the best equipment for your needs.
5. **His understanding of the various components of a system;**  
He regularly designs a variety of systems.
6. **Customer service;**  
He is there to help you and has a wide array of related services: installation, rentals, repairs and parts.
7. **A unique and complete resource;**  
He offers you a wide selection of products to answer all your different needs.
8. **His team is made up of different-area specialists;**  
Gives access to an incomparable technical expertise to ensure your project proceeds smoothly.
